Award finalists and winners were recognized at the Microsoft Worldwide Partner Conference 2015, the company's annual premier partner event, which took place this year in Orlando, Florida. Microsoft Corp. honored partners from around the world with the 2015 Microsoft Dynamics Regional Partner of the Year awards.

Regional winners and finalists were chosen from the following regions: Asia Pacific, Canada, China, Central and Eastern Europe, France, Germany, India, Japan, Latin America, Middle East and Africa, the United States, the United Kingdom, and Western Europe.

Award finalists were selected based on their strong business performance and dedication to delivering solutions that meet diverse customer needs.
